## OBJECTIVE

Dedicated Computer Science student at Kean University with a passion for web development. Seeking opportunities to apply my skills in HTML/CSS, Python, Java, and C# to contribute to innovative projects in a dynamic environment.

## EDUCATION

- Kean University, Union, NJ
  - Bachelor of Science in Computer Science, May 2025
  - GPA: 3.785
  - Relevant coursework: Java, Data Structures, Computer Organization
  - Dean's List: Fall 2022 - Present
- Union County College, Cranford, NJ
  - Associate of Science in Computer Science, May 2022
  - GPA: 3.649
  - Relevant coursework: Python, C#, SQL
  - Dean's List: Fall 2020 - Spring 2022

## WORK EXPERIENCE

Tutor, Kean University, Union, NJ

- January 2024 – Present
- Provide individualized tutoring sessions for students in Java and Data Structures, fostering understanding and problem-solving skills.
- Assist students in debugging code and completing assignments, promoting independent learning and academic success.

## VOLUNTEER

Youth Leader and Music Teacher, Iglesia Cristo Reyna, Summit, NJ

- June 2017 - Present
- Instruct aspiring musicians in music theory and instrument techniques, fostering a love for music and artistic expression.
- Collaborate with team members to lead church services and events, contributing to a vibrant and inclusive community.

## SKILLS AND CERTIFICATIONS

- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint, Outlook)
- Strong programming skills in Java, C#, and Python, with coursework completion and practical application.
- Basic knowledge of SQL for database management.
- Self-taught proficiency in HTML and CSS through project-based learning.
- Fluent in English and Spanish.
